

ACCIO

appeler

ACCIO

The word 'ACCIO' is rendered in a highly decorative, calligraphic black font. The letters are thick and feature intricate flourishes, including small star-like symbols and sharp, pointed extensions. A large, sweeping, and somewhat abstract signature or flourish is drawn across the bottom of the word, partially overlapping the letters 'C' and 'I'. The background is a light beige color with faint, thin, wavy lines in a light brown or orange hue.

vient du latin accĭo ,ce sort fait
venir un objet jusqu'au sorcier
